National Seminar

On

**EMERGING HORIZONS OF SCIENCE IN
NATURAL RESOURCE MANAGEMENT**

(प्राकृतिक संसाधन प्रबंधन के लिए विज्ञान
के उभरते आयाम)

FEBRUARY 16-17, 2020

(Accredited with Grade 'A' by NAAC)

Organized by :

**DEPARTMENT OF ZOOLOGY & BIOTECHNOLOGY
GOVERNMENT E. RAGHAVENDRA RAO
POSTGRADUATE SCIENCE COLLEGE,
Bilaspur (C.G.)**

BACKGROUND AND OBJECTIVES:

The seminar is intended to provide a platform for vibrant interdisciplinary discussions among academicians and researchers on new horizons of science in natural resource management for sustainable development. Day by day new technologies are coming forward to solve various problems, as Chhattisgarh is a herbal state and rich in biodiversity the livelihood and health of the state is largely dependent on its biological resources. The resources are getting deteriorated by modern development. The advancement in science and practices in natural resource management can help to overcome the problems. The proposed seminar will discuss the advancement in science in natural resource management for sustainable development for the benefit of the society and state. Science and technology has occupied almost every aspect of life from agriculture, industries, diagnostic techniques, pharmacology, etc. thus science and technology is helping the society to adopt the changing situation in all spheres. By proposed seminar the information of science in natural resource management being practiced would be shared among students, faculties and various stake holders which will help the students and faculties to orient themselves towards changing technological shift and work on the new scientific solutions of various problems for sustainable development.

GOAL:

To enhance collaboration and networking among stakeholders for capacity building and empowerment to meet socioeconomic challenges for societal welfare.

TOPICS:

Some of the topics of interest includes, but are not limited to :-

- Advancements in Biological science,
- Natural Resource management practices,
- Role of Physical sciences in natural resource management.
- Computer Science and Information technology for Biodiversity and Environment monitoring.
- Earth Science & its role for natural resource management.
- Development in Chemical Science for natural resource management.
- Practices in Agriculture Sciences for sustainable development,
- Best societal practices to save natural resource management
- Role of NGOs and Self-help groups in conservation of natural resource.
- Green Computing

ABOUT THE INSTITUTION:

Government E.Raghavendra Rao P.G. Science College is one of the premier college of education with students from all corners of the state. By proposed activity in our college students from all corners of the state and of universities and research institute will be benefitted. They will come to know the latest advancement in Science and environment management for sustainable development.

GUIDELINE FOR WRITING ABSTRACT:

Abstract are invited for oral/poster presentation. The authors are requested to send abstracts, not exceeding 200 words, in MS –word format with 12 point Times New Roman font. The line spacing should be kept at 1.5. Poster size 1m x 1m. All abstracts should be submitted through email at sccollegebt@gmail.com

Last date for submission of abstracts is 15th January 2020. Acceptance of abstracts for presentation will be confirmed on or before 05th February, 2020.

IMPORTANT DATES

Pre registration 15th Jan 2020
Abstract submission 15th Jan 2020

REGISTRATION

The Pre-registration form in this folder may be sent to the Convenor so as to reach on or before 15 Jan. 2020. An early registration will be appreciated.

	Before 15th Jan, 2020	After 15th Jan, 2020
Teachers & Scientist	1,000	1500
Research Scholar	500	800
Students	300	500

VENUE

**Govt E. Raghavendra Rao Postgraduate
Science College, Bilaspur (C.G.)**

The venue is just 6 km away from the Bilaspur Railway Station.

National Seminar On EMERGING HORIZONS OF SCIENCE IN NATURAL RESOURCE MANAGEMENT

(प्राकृतिक संसाधन प्रबंधन के लिए विज्ञान के उभरते आयाम)

FEBRUARY 16-17, 2020

Registration Form

Name (in capital) : _____
Designation : _____
Organization : _____
Mailing address : _____

Tel. (with STD) : Office _____
Res. _____
Mobile _____

E-mail : _____

Participation : Oral presentation/Poster Presentation/
Attending as trainee

Registration Fee

	Before 15th Jan, 2020	After 15th Jan, 2020
Teachers & Scientist	1,000	1500
Research Scholar	500	800
Students	300	500
